ABOUT THE SCHOOL

Since its establishment in 1977, BCM Arya Model Senior Secondary School has grown into one of Ludhiana's most trusted and distinguished institutions, guided by the timeless philosophy of Arya Samaj and a vision of education that blends tradition with modernity. For nearly five decades, the school has been a beacon of excellence, shaping young minds with knowledge, discipline, and values that endure long after classroom lessons are over.

At BCM Arya, education is not just taught - it is felt. It is felt in the gentle encouragement of a teacher who believes in their student, in the spark of wonder when a child discovers something new, and in the friendships that turn into lifelong bonds. Our classrooms are alive with curiosity and laughter; our playgrounds resound with joy and resilience. Every corner of the school whispers the same promise: here, every child matters. Here, every dream finds a home.

The brilliance of our students in board examinations, with many recognized as National Toppers, reflects this enduring spirit. Their accomplishments are not individual triumphs alone, but the collective pride of a school community that believes in hard work, character, and the pursuit of excellence with humility.

BCM Arya is not just a school; it is a legacy of trust, a sanctuary of values, and a promise of a brighter tomorrow - where every child's uniqueness is celebrated, and their potential is nurtured to its fullest.

THE VISION

BCM Arya promotes excellence in educational endeavours at all levels so as to develop human resources which will meet the future challenges of the global society.

THE MISSION

- To realize our vision of fostering a culture that nurtures excellence across all domains.
- To create a safe, orderly, welcoming, and stimulating environment for all.
- To champion equity and inclusivity through collaboration with stakeholders and the community.
- To empower students with 21st-century skills, fostering intellectual curiosity, unconventional creativity, continuous innovation, and purposeful entrepreneurship with sustainability as a central focus.
- To promote physical fitness, mental well-being, resilience, self-esteem, empathy, tolerance, and a commitment to community service.
- To leverage technology as an empowering tool for curating, communicating, collaborating, and ensuring positive learning outcomes.
- To develop a deep sense of respect and pride for India's rich cultural heritage and ethos as enshrined in our constitution.
- To develop a global vision and take initiative for global peace, harmony, and economy.

THE SCHOOL LOGO

THE SCHOOL MOTTO

असतो मा सद्गमय,
तमसो मा ज्योतिर्गमय,
मृत्योर्माऽमृतं गमय ।

हे प्रभु, मुझे असत्य मार्ग से सत्य की ओर,
अंधकार से प्रकाश की ओर,
मृत्यु से अमृत की ओर ले चलिए ।

From Falsehood lead me to Truth,
From Darkness lead me to Light,
From Death lead me to Immortality.

Vision of Luminaries

Sh. Rakesh Jain
President
School Managing Committee

Every Child, Our Promise

We don't just prepare children for the future; we help them grow into thoughtful, confident and compassionate human beings who will shape it.

When I look at our school and the smiling faces of our children, I feel a deep sense of pride and satisfaction. It reminds me that we are not just building a school, but nurturing a future. My vision, together with our management team, has always been simple: to create a place where children don't just study for exams, but grow up to be good, capable, and happy human beings.

For us, education is about the complete growth of a child. Strong academics will always be our focus, but we care just as much about who our children become. Through creative co-curricular activities, modern technology, and real-life skills, we prepare our students so that when they step out into the world, they feel confident, ready, and capable.

A healthy mind needs a healthy body. To provide our students with the best opportunities, we have created an international-standard Sports Complex featuring 18 indoor games, along with excellent outdoor facilities including basketball, pickle ball, lawn tennis, and an athletic track. Here, children learn not only to play and stay fit, but also to develop discipline, teamwork, and healthy competition.

At the heart of our children's journey are our teachers - sincere, dedicated, passionate, and caring. Their commitment ensures that every child feels guided, encouraged, and valued.

At the same time, we want our children to stay rooted in our culture. Through Arya Samaj values, Indian Sanskriti, and spiritual guidance, we nurture kindness, humility, gratitude, and respect for parents and others. We also encourage them to care for nature and help keep our campus green, clean, and eco-friendly.

This year is extra special for all of us. Founded in 1977, our school is now entering its **Golden Jubilee Year**, and we are overjoyed to begin our celebrations. Fifty years of love, trust, and shared dreams is a milestone we celebrate together with you.

Our vision will always be to give your children a safe, warm, and world-class home where they can dream big and achieve even bigger.

We are grateful to be a part of your child's journey and to watch them learn, grow and find their wings.

Walk with us through the most important years of your child's journey - years that shape who they'll become.

Captain V.K. Sayal
Secretary
School Managing Committee

Growing Together

Every child leaves a little piece of their childhood behind at school, and takes a little piece of the school with them. At BCM Arya, it is our privilege to be part of those precious years of growing, learning and becoming.

We believe a strong school is built through good teaching, meaningful learning experiences, the right facilities and a caring environment. We continuously work to provide our students and teachers with modern learning spaces, well-equipped laboratories, technology-enabled learning and resources that make learning engaging and joyful. In keeping with the evolving educational landscape and the CBSE emphasis on skill-based learning, we provide opportunities for students to develop practical skills through projects, hands-on activities, vocational exposure and real-life applications.

Along with academic growth, we place great importance on discipline, respect, honesty, hard work and responsibility. We want our children to grow not only in what they know, but also in how they think, how they treat others and how they face the challenges of life.

The trust of our parents and the dedication of our teachers inspire us to keep moving forward. Every child who walks through our gates carries a dream, and it is our shared responsibility to provide the right environment for that dream to grow. Our endeavour is to ensure that every child gets the opportunity to learn, grow and develop the confidence to excel.

What makes this journey truly special is watching our children grow before our eyes—their first hesitant steps, little successes, moments of courage and, eventually, the confidence with which they step out into the world. These are the moments that give meaning to all that we do. We hope every child feels that the school believed in them, stood by them and helped them believe in themselves.

As we enter our **Golden Jubilee Year**, we look back with gratitude at five decades of a journey built on dedication, values and shared dreams. We look ahead with renewed hope and determination, committed to carrying this legacy forward.

Thank you for giving us the privilege of being a small but meaningful part of your child's journey and precious growing years.

Insights of the Guiding Lights

Dr. Paramjit Kaur
Director

Learning for Life

When we think about education today, it is easy to get caught up in schedules, syllabi, and competitive benchmarks. Yet, true education has always been about something far deeper: guiding young people to discover who they are and what they can offer to the world. As Director, my deepest joy lies in watching our students transform into confident thinkers, compassionate leaders, and lifelong learners.

At BCM Arya, we strive to balance our rich traditions with modern learning and innovation. In a rapidly changing and increasingly connected world, our role as educators goes beyond preparing children for examinations. We encourage students to think critically, ask questions, explore ideas, embrace challenges and turn their curiosity into meaningful action. Through strong academics, multidisciplinary learning, financial literacy, technology and real-world experiences, we teach our students not just *what* to learn, but *how* to think adaptively, make responsible choices and work collaboratively. This equips them to navigate unfamiliar terrains with confidence, creativity and strategic foresight.

Yet, academic brilliance is incomplete without a compassionate heart. As our students develop new skills and gain wider perspectives, we want them to remain grounded in empathy, integrity and humility. We want them to excel in their chosen fields, but even more, to use their abilities to make the world a kinder and better place.

Every milestone of this institution reflects the collective devotion of our educators, the unwavering faith of our parents, and the boundless enthusiasm of our children. Watching them discover their passions and step into the world with grace and confidence fills me with profound pride.

As we celebrate our **Golden Jubilee Year**, five decades of educational excellence remind us of the shared dreams, dedication and values that have shaped BCM Arya. Looking towards the future, our pledge remains unwavering: to expand horizons, inspire greatness, and provide a nurturing space where every child's potential can truly take flight.

It is a privilege to walk alongside our students through these formative years and be a part of their journey of learning, growth and discovery.

Dr. Anuja Kaushal
Principal

स्वर्णिम वर्ष - संस्कृति से सिद्धि

Every great journey begins with a strong foundation, and every meaningful future is built upon it.

As BCM Arya Model Senior Secondary School enters its Swarnim Varsh - the Golden Jubilee Year in October 2026, we celebrate not merely five decades of existence, but five decades of a journey shaped by values, vision, learning and excellence.

Rooted in the timeless ideals of Arya Samaj, our school began with a profound belief - that education must enlighten the mind, strengthen character and prepare young minds to contribute meaningfully to society. Over the years, this belief has evolved into an educational philosophy that harmonises tradition with technology, knowledge with skills, and academic excellence with character formation.

From our humble beginnings to becoming a vibrant institution nurturing thousands of learners, our journey has been shaped by the dedication of generations of teachers, the trust of parents and the achievements of our BCM Aryans. Each generation has added a new chapter to our story, carrying forward the values and vision of the institution.

Today, as we stand at the threshold of a new era, we look towards a future that demands more than academic success. We aspire to nurture young minds who are curious thinkers, creative innovators, confident leaders and compassionate human beings — equipped to embrace a rapidly changing world while remaining firmly rooted in their values.

This is the spirit of our Golden Jubilee motto : **संस्कृति से सिद्धि - Sanskriti Se Siddhi**

Our roots give us identity; our values give us direction; our knowledge gives us wings; and our vision takes us towards the future.

As we enter our Swarnim Varsh, we look ahead with confidence and hope. The world needs young minds who can innovate, lead and excel, but even more, it needs young hearts that know what is right, what is responsible and what is worth striving for.

May every BCM Aryan carry the light of knowledge, the strength of character and the spirit of service.

May our Sanskriti continue to shape our Siddhi. And may the next chapter of BCM Arya be even more luminous than the years that have brought us here.

Building Strong Foundation

Preparatory Stage

From Curious Minds to Confident Learners

The Preparatory Stage is a purposeful bridge between the early years and middle school, where children begin to blossom academically, emotionally, and socially. Here, learning goes beyond memorization - it transforms into thinking, questioning, and understanding, while values and life skills are nurtured alongside academics.

Pedagogy

- **Strengthening Core Academics** - Focused grounding in literacy, numeracy, and foundational sciences.
- **Thinking Beyond Textbooks** – Promoting analysis, evaluation, and logical application of ideas.
- **Experiential & Activity-Based Learning** – Projects, hands-on tasks, and collaborative exercises.
- **Values & Life Skills** – Honesty, empathy, responsibility, and respect integrated into daily learning.
- **Social & Emotional Development** – Teamwork, co-operation, and confidence-building activities.
- **Balanced Growth** – Harmonizing academic progress with creativity, ethics, and personal well-being

Middle Level

Exploring Interests, Empowering aspirations

The middle years are a time of exploration - where curiosity meets confidence and learning becomes discovery. At this stage, education nurtures not only the intellect but also creativity, values, and well-being - helping students grow into independent, responsible, and empathetic individuals.

Inquiry-Driven Learning
Encouraging deep thinking, fearless questioning, and creative problem solving.

Ownership of Learning
Goal-setting, reflection, and developing independence and responsibility.

Creative & Cultural Exposure
Music, theater, literature, and visual arts to spark imagination and awareness.

Physical & Emotional Well-Being
Sports, Fitness, resilience-building, and self-confidence.

Values & Community Spirit
Respect for diversity, empathy, and responsible citizenship.

State-of-the-Art Facilities
Modern labs, libraries, sports complex and digital classrooms.

Global Philosophy
Rooted in Vasudhaiva Kutumbakam (the world is one family).

Secondary Stage

Shaping Futures, Inspiring Excellence

This stage is a turning point - a preparation for life, higher education, and future careers. With a balance of specialized academics, innovation, leadership, and strong values, students are empowered to excel and make a meaningful impact in the world.

Comprehensive & Global Curriculum
Progressive, specialized, and future-ready education

Exploring Passions & Talents
Opportunities to sharpen skills across diverse disciplines

Ethics & Citizenship
Experiential learning, mentorship, and community engagement for global responsibility

World-Class Infrastructure
Advanced STEM & innovation labs, digital classrooms, sports complex

Independent and Innovative Thinking
Fostering creativity, resilience, and fearless innovation

Leadership & Responsibility
Integrity, accountability, and teamwork as guiding principles

Character & Courage
Shaping reflective, empathetic, and ethical individuals

Crafting Futures

Empowering Skills and Unlocking Potentials

Humanities with Food and Tourism

"Crafting Flavours, Creating Experiences."

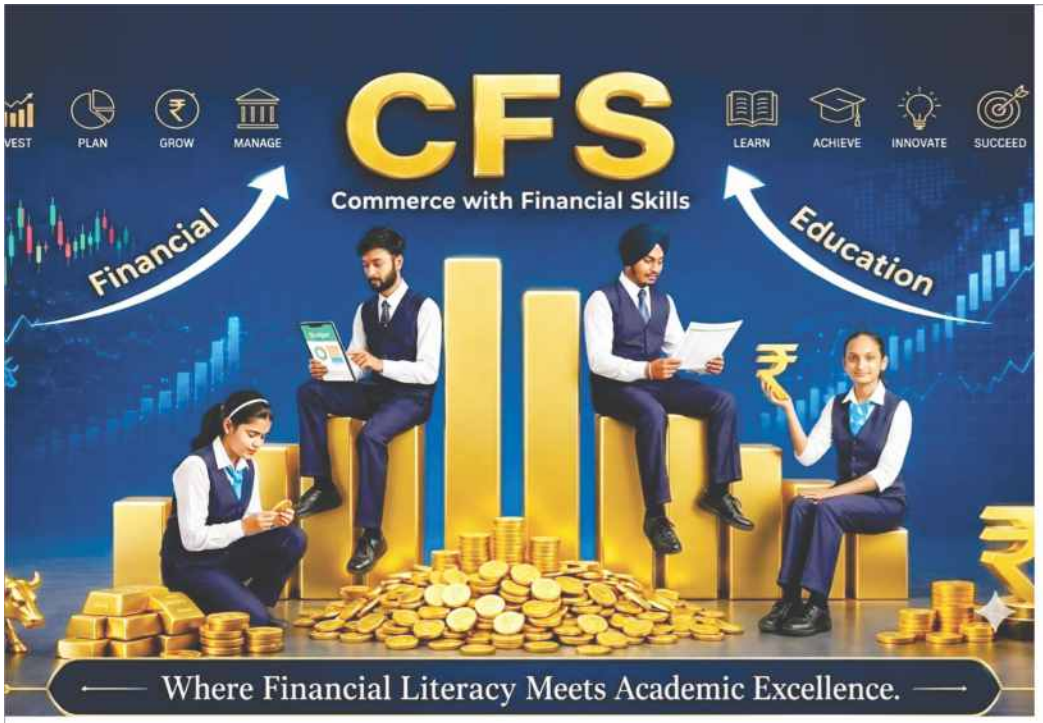

- Expertise in Culinary Arts, Kitchen Management and Hospitality basics.
- Training in Tourism Operations and Customer Service.
- Equips learners for Hotels, Restaurants, Catering, and Travel Enterprises.
- **Career Pathways to Hospitality, Entrepreneurship and Global Service Industries.**

Fashion Studies Skills

"Designing Dreams, Defining Skills"

- Specialization in design, textiles, garment construction, and styling.
- Focus on illustration, trend analysis and industry exposure.
- Inspires innovation, technical expertise, and entrepreneurial flair.
- **Career Pathways in Fashion Designing, Retail, Textiles, and Global Fashion Industries.**

Commerce with Financial / Technological Skills (CFS / CFT)

"Numbers that Build Futures, Skills that Shape Leaders."

- Strong grounding in Accountancy, Economics and Mathematics
- Integration of banking, taxation, investment, and market insights
- Builds applied financial acumen and industry - ready expertise
- **Career pathways in Finance, Banking, Taxation, and Corporate Management**

Creativity

The delightful manifestation of intellect and imagination

Beauty & Wellness Skills

"Empowering Confidence, Enhancing Well-being."

- Training in Personal Grooming, Skincare, Haircare and Makeup Artistry.
- Emphasis on Holistic Wellness and Modern Techniques
- Creativity, Professional Confidence, and Entrepreneurial Potential
- **Career Pathways in Salons, Spas, Cosmetology, and Wellness Centres.**

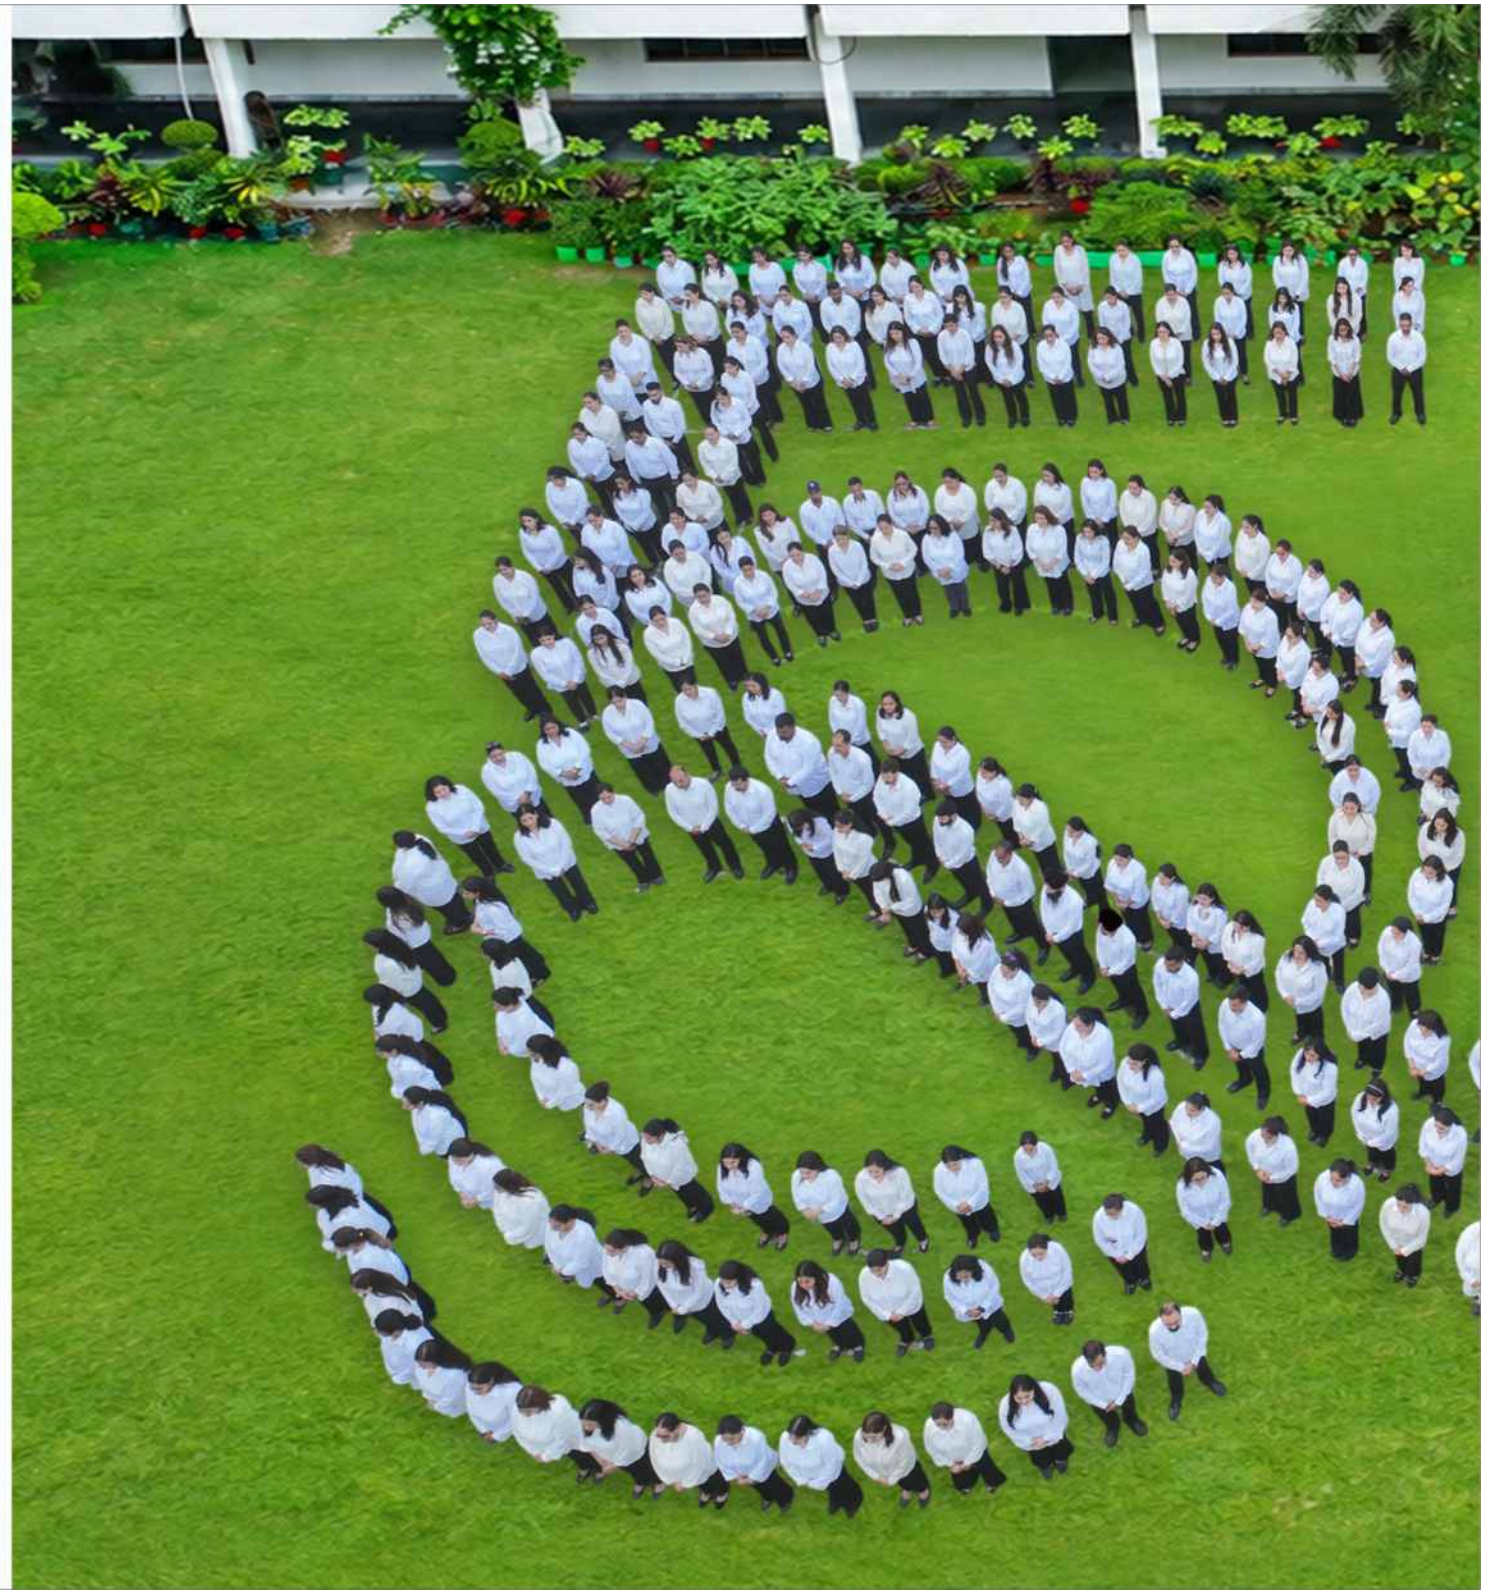

Humanities with Media and Animation (HMA)

"Voices that Influence, Stories that Inspire"

- Blends Media Theory with Immersive Practice.
- Exploration of Journalism, Film, Radio, TV, Advertising and Digital Storytelling.
- Practical training in Content Creation, Reporting, and Production.
- **Career Pathways in Media, PR, Filmmaking, and Digital Communication.**

Rules for Admission and Fees

NURSERY

Age : Born Between **April 1, 2022** to **March 31, 2023**

Registration : Online

Fee Structure : Available on School Website

Original Supporting Documents for Verification and attested copies to be submitted along with the Registration Form.

1. Qualification Certificates of Parents.
2. Child's Birth Certificate (Issued by Municipal Corporation)
3. Proof of Alumni (If Applicable)
4. Proof of Sibling (If Applicable)
5. Medical Certificate
6. First born child (Self-declaration)
7. Proof of Residence

CLASS XI

- Admission will be purely on the basis of the performance in Class X as well as on the aptitude of the student.
- For students who have passed Class X from other schools or other Boards, the discretion for admission rests with the Principal, subject to the availability of the seats.
- **Detailed Information for admission to Class XI will be available on school website by Second week of January, 2025.**

Other Classes

- Admission to all other classes will be subject to seat availability, determined through a pre-admission test.
- Students will then be placed in the standard that best aligns with their abilities, as evaluated by the Principal.

Transfer Certificate

- Students migrating from other schools must submit their Transfer Certificate and Progress Reports from their previous schools.
- The Transfer Certificate should be duly attested by the previous school.

School Transportation

BCM Arya provides transportation with the specially equipped school buses.

- CCTV Cameras
- Speed Governors
- GPS System
- First Aid Kit
- Fire Extinguisher
- Emergency/Helpline Ph. No. (s)
- Female attendant for school buses.
- Pick and drop facility for students operates within the school campus for safety.

Community Outreach Programmes

We believe in nurturing compassionate and responsible citizens who care for their community and environment. Through visits to old-age homes, donation drives, environmental initiatives, awareness campaigns, and social service activities, our students learn the values of empathy, kindness, responsibility, and giving back to society.

Disha X : Career Guidance & Counselling

Right Guidance, Bright Futures

Exposure & Enrichment

Students get to explore various fields through workshops, expert interactions, internships, visits and engaging activities that broaden their horizons and inspire them to dream bigger.

Skill Development & Innovation

We provide opportunities to develop communication problem-solving, creativity and digital skills through hands-on learning, workshops, clubs and practical projects.

Personalised Counselling

One-on-one guidance to understand strengths, interests and future goals.

Our Career Guidance Support

- Individual counselling sessions and career exploration.
- Guidance on academic streams, course selection and future pathways.
- Interaction with industry experts, alumni and professionals.
- Profile building and guidance for creating a strong academic and co-curricular portfolio.
- Career Carnival with engaging interactions, activities and exposure to diverse career options.
- Scholarships for deserving and talented students.

सेरेब्रल पाल्सी से जूझते जयवीर ने 12वीं में हासिल किए 77%, मल्टीमीडिया में 90 अंक, माता-पिता बने सबसे बड़ी ताकत

जयवीर को मां अनीता और पिता हरदीप सिंह ने अपने बेटे के लिए किया

जयवीर की कहानी प्रेरणा बनी

जयवीर का कहना है कि हर पेरेंट्स को चाहिए कि वे अपने बच्चों के साथ उनका दोस्तिपूर्ण व्यवहार रखें। वह सिर्फ पढ़ाई के बारे में ही नहीं, बल्कि उनकी हर छोटी-बड़ी बात को भी शेयर करें। इससे बच्चों का आत्मविश्वास बढ़ता है और वे अपने भविष्य को लेकर कन्फ्यूज नहीं होते।

री-इवेल्यूएशन में जपनीत के 99.80% अंक
