CLASS-NURSERY

**A new path unfolds, with stories untold,
In this journey, memories take hold.**

Dear Esteemed Parents,

As our little ones step onto the path of knowledge, their eyes alight with curiosity, and their hearts resonate with wonder. Within the walls of our beloved BCM Arya family, they explore a universe of discovery and imagination, where each day unfurls like a blank canvas, eager to be painted.

April month has been a whirlwind of delight—a symphony of laughter, dreams, and growth. Our toddlers, like tiny dancers, have twirled with joy, leaving footprints of wonder. They scribbled tell tales of adventure and whispered secrets through the corridors. We will share glimpses of these precious moments through this edition of our monthly newsletter.

ACTIVITIES

OPEN HOUSE DAY:

To familiarize parents with our school's environment, Prelude-The Open House Day was organized in the nursery classes on April 1st and 2nd , 2024. This aimed to strengthen the bond between parents, children, and teachers while providing insight into school activities. We extend our gratitude to all parents for contributing to the event's warmth.

HANDS PLAY ACTIVITY

The Hands Play activity was conducted on April 3, 2024, aimed to provide children with a dynamic learning experience, enhancing critical and logical thinking skills. Through this activity children explored creativity while honing precision.

HARMONY OF HEALTH:

On April 8, 2024, our tiny-tots delved into the importance of hygiene for a healthy life. Students were engaged in hands-on activities and learnt the significance of proper handwashing. Through interactive sessions and a demonstration video, children mastered vocabulary associated with hygiene and explored a hygiene kit. The day culminated in a fun-filled handwashing exercise, fostering a culture of cleanliness and wellness among our young learners.

MY FIRST ACTIVITY

On April 9, 2024 a cherished memory was created for our NUR students with the inaugural day activity, destined to be treasured for years to come. With giggles and smiles, the little ones dipped their hands in paint, leaving behind the imprint of their hands. Beyond the fun, this activity became a journey of discovery nurturing their fine motor skills and hand-eye coordination.

RED COLOUR DAY

Our little learners got immersed in a delightful celebration of Red Colour Day on April 10, 2024. This educational and entertaining activity allowed them to explore the world of colours through hands-on experiences and visual cues. All the classrooms were aesthetically decorated with red colour objects. Children honed their colour recognition skills and creative prowess as they get engaged in 'Sponge Activity'.

BAISAKHI CELEBRATION:

Amidst a tapestry of colors and rhythms, the joyous spirit of Baisakhi illuminated our hearts on April 12, 2024. With gleeful laughter and twinkling eyes, our young learners embarked on a cultural odyssey, delving into the rich myriad of traditions that adorn this vibrant harvest festival. Through hands-on activities like BUD PAINTING, children wove intricate patterns of creativity and expression, while the pulsating beats of the dhol transported them to a world of music and dance. Amidst this sensory symphony, children absorbed the significance of Baisakhi, their hearts aglow with newfound appreciation for the diverse customs and celebrations that enrich our world.

DOUGH KNEADING

Clay modelling is a great way to develop our little ones fine motor skills, imagination and spark creativity. An activity on clay modelling was conducted for Nursery students on April 15, 2024 wherein students participated enthusiastically. The little hands worked smoothly and efficiently and moulded clay into beautiful flower and snail. This activity supports sensory development, fine motor skills and self-expression in children.

BIRTHDAY CELEBRATION:

Birthdays are magical occasions, akin to festivals in our hearts. On April 18, 2024, Nursery wing celebrated April birthdays with a Hawan for blessings, followed by cake cutting. Teachers shared heartfelt wishes through personalized cards, ensuring each child felt cherished and celebrated.

GUEST LECTURE: Fostering Values and Good Habits in Kindergarten

The guest lecture hosted in the Nursery wing was a resounding success, featuring parents sharing invaluable insights on fostering values and good habits. It was hosted on April 19, 2024. Parents engaged the young audience with interactive discussions, emphasizing kindness, honesty, and responsibility. The lecture not only enriched children's understanding but also fostered a sense of community involvement and parental engagement.

EARTH DAY(GREEN COLOUR DAY):

In a vibrant display of environmental stewardship, our Nursery kids celebrated Green Colour Day on April 22, 2024. Embracing the spirit of Earth Day, participants engaged in a myriad of activities, including a spirited plantation drive. Adorned in verdant hues, they passionately advocated for sustainability, chanting slogans to preserve our planet. With hands in the soil and hearts in harmony, our eco-warriors demonstrated their unwavering commitment to a

MATCH THE PATCH ACTIVITY

Children enthusiastically participated in competency based shape matching activity on April 24, 2024. Our tiny tots matched the shapes using cutouts and pattern cards and that fosters problem solving skills. The activity provided hands-on cognitive development, reinforcing recognition skills.

SCRIBBLING TRAY ACTIVITY

To engage our little learners, a sand tray activity was conducted on April 25, 2024, fostering tactile and sensory learning. Children traced strokes and patterns, enhancing fine motor skills and creativity.

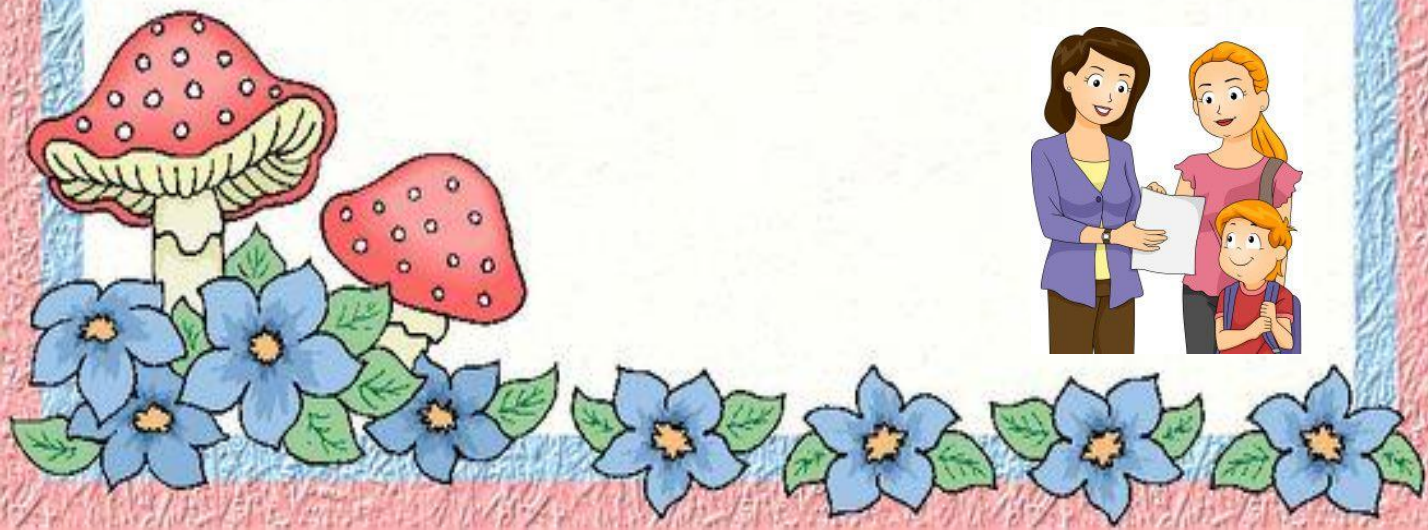

FRESHER'S PARTY:

The Freshers' Party held on April 26, 2024 was a vibrant celebration, welcoming the newest members of our school family. The nursery kids arrived dressed in their party attire, with their faces beaming with excitement. The day unfolded with laughter, dancing, and a whimsical chariot ride that left everyone enchanted. Each fresher received a special title, celebrating their unique qualities. As the day unfolded, we cherished the promise of new beginnings and etched unforgettable memories.

TIPS FOR PARENTS

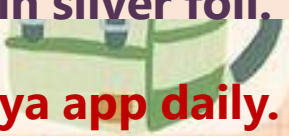

- 1. Establish consistent routines:** Set predictable daily schedules for meals, naps, and playtime to provide security and structure.
- 2. Foster independence:** Encourage your child to do tasks on their own, such as putting on shoes or cleaning up toys, to build self-confidence and skills.
- 3. Encourage social interaction:** Arrange play activities to help your child develop social skills, like organizing picnics or playdates.
- 4. Provide opportunities for exploration:** Create a safe environment for your child to learn through play, such as setting up sensory bins with different textures.
- 5. Be patient and supportive:** Understand that adapting to a new environment and routine takes time, so offer plenty of encouragement and support as they navigate this exciting phase of growth.
