CLASS- NURSERY

**May brings a fresh start, let's show what we know
and shine bright in every part!**

Dear Esteemed Parents,

As the days grow warmer, our little learners are blossoming too! This month, we're excited to embark on new adventures and celebrate each child's unique growth. Just like a vibrant garden, every child is thriving in their own special way. Let's nurture their development and celebrate their achievements. Together, we'll learn, laugh, and love through this newsletter and cherish every moment of this wonderful month.

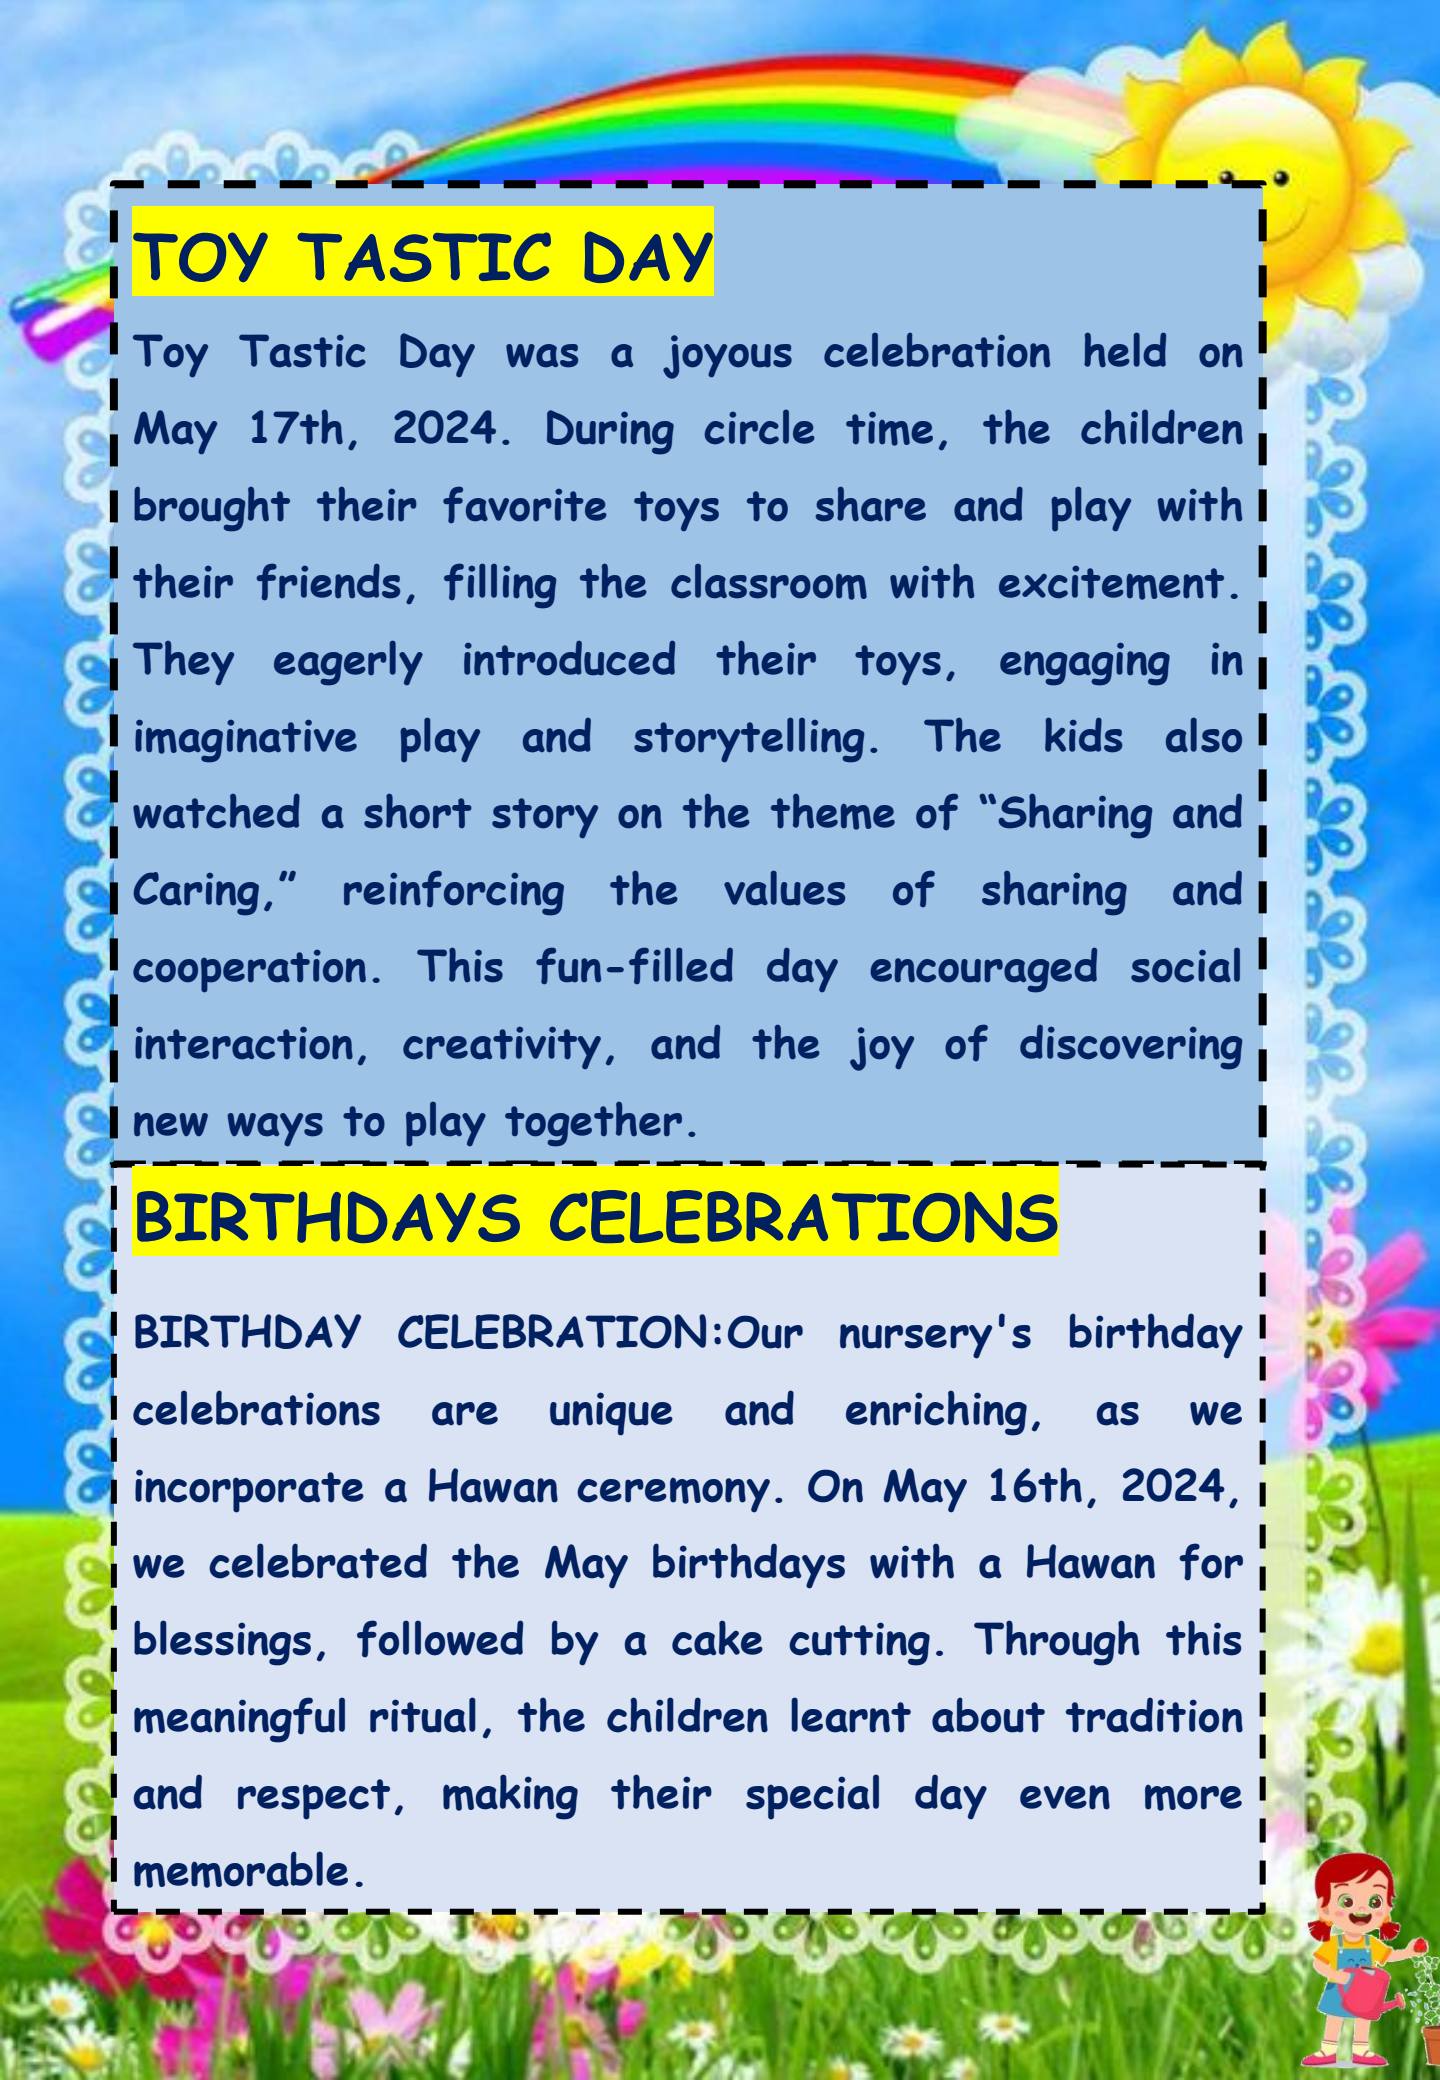

ACTIVITIES

May Day

On May 2nd, 2024, our tiny tots joyfully celebrated Labour Day by expressing heartfelt gratitude to the helpers at the school. The children's faces lit up with happiness as they cut a cake and shared their appreciation for the daily care and support provided by the school attendants. This celebration taught the children the importance of recognizing and valuing the contributions of those who help make their school a wonderful place.

My Well Being

On May 3rd, 2024, we held a well-being activity focused on self-care and belongingness. It was a vital and free-spirited conversation session where the children learned about taking care of their surroundings with kindness and humility. The teachers sensitively addressed the topic of good and bad touch through a dramatization, reinforcing the message with a "no" gesture for inappropriate behavior and applause for positive actions. This activity aimed to gradually instill in the students the importance of practicing good behaviors and avoiding harmful ones, fostering a nurturing and respectful environment.

TOY TASTIC DAY

Toy Tastic Day was a joyous celebration held on May 17th, 2024. During circle time, the children brought their favorite toys to share and play with their friends, filling the classroom with excitement. They eagerly introduced their toys, engaging in imaginative play and storytelling. The kids also watched a short story on the theme of "Sharing and Caring," reinforcing the values of sharing and cooperation. This fun-filled day encouraged social interaction, creativity, and the joy of discovering new ways to play together.

BIRTHDAYS CELEBRATIONS

BIRTHDAY CELEBRATION: Our nursery's birthday celebrations are unique and enriching, as we incorporate a Hawan ceremony. On May 16th, 2024, we celebrated the May birthdays with a Hawan for blessings, followed by a cake cutting. Through this meaningful ritual, the children learnt about tradition and respect, making their special day even more memorable.

MAKING LETTERS WITH STRAW CLEANERS ACTIVITY

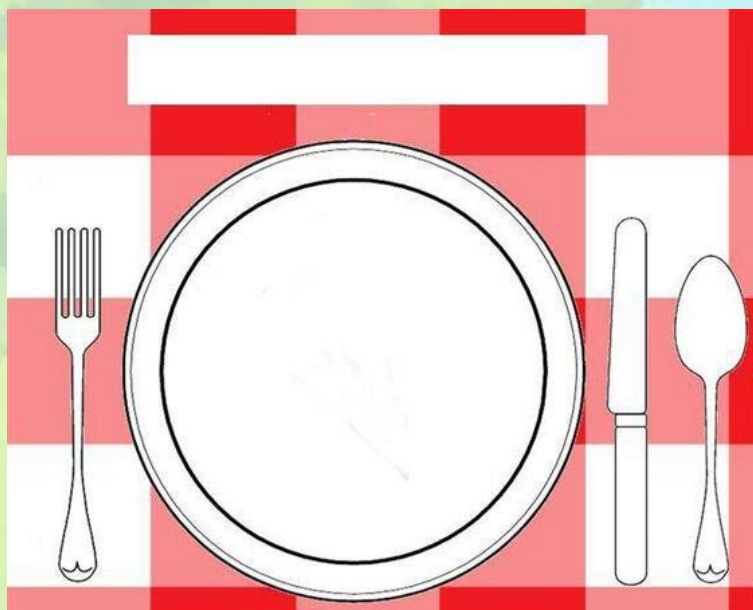

This activity was conducted for nursery kids on 6th May, 24 wherein students participated enthusiastically. Children were given colourful straw cleaners to form different letters with the help of standing and sleeping strokes. This activity helped in developing hand-eye coordination and precise finger movements while manipulating the straw cleaners to form letters. Through this activity children learnt how standing and sleeping strokes can be joined to form letters L and I . They were told about the phonetic sound and various pictures related to these letters.

TRACE THE TRACK ACTIVITY:

This activity was conducted on 8th May, 24 which involves young children following pre-drawn lines or strokes with the help of their finger first and then by using one lens made with help of straw cleaner. Children traced the pattern very beautifully with the help of lens and pom poms. This engaging exercise helped in developing their fine motor skills and early writing abilities. Additionally, it fosters concentration and patience, providing a fun and educational way for kids to practice foundational skills crucial for their development.

PLATE IT WELL :

The mind drilling activity 'Plate it Well' was conducted on 16th May, 24 which was based on learning counting 0-10. A pizza plate was made by the teachers divided in section just like a pizza which attracted students to learn counting. With the help of clay small balls were made and children were told to place them in each section counting till 10. It was really a wonderful experience .

TIPS FOR PARENTS

MEANINGFUL WAYS TO ENGAGE KIDS DURING SUMMER VACATIONS

Holidays are the good time to engage children in some creative work. So, here are few tips for the parents-

- 🕒 **PRACTICE MINDFULNESS THROUGH YOGA AND MEDITATION**
- 🕒 **GET CLOSE TO NATURE-** Let the children plant seeds and watch them grow.
- 🕒 **SKILL LEARNING –** Introduce the kids to learn some musical instruments or even life skills like helping the elder ones in laying the table, gardening, setting their toys after playing or arranging their wardrobe .

TIPS FOR PARENTS

- 🕒 **READING AREA-** Create a small space in your home and name it as **COZY CORNER**, set aside a regular time to read to your child some good stories every day.
