Birthday Celebration

“Birthday celebrations are no less than festivals”

The Nursery wing celebrated the birthdays of the children born in the months of December and January on 26 dec,2024 and 23 jan,2025. The little ones took the blessings of the Almighty by performing Hawan followed by the cake cutting ceremony. The teachers extended their best wishes by giving birthday cards to the birthday children and made their day a special one.

LOHRI CELEBRATION

To celebrate the harvest festival of LOHRI , a virtual celebration was held on 10.01.2025 with great enthusiasm. Dressed in traditional attire, the tiny tots radiated festive cheer. The teacher highlighted the significance of Lohri through an engaging presentation and played traditional songs, guiding the children in lively dance moves to immerse them in the cultural spirit. Adding to the excitement , a Lohri-themed coloring activity was conducted making the celebration a joyful blend of learning, creativity, and cultural appreciation.

DRESS TO EXPRESS COMPETITION

The dress to express competition was held on 17.01.2025 was a vibrant celebration of creativity and enthusiasm, where students has the opportunity to bring their favorite cartoon characters to life. From timeless classics like Mickey Mouse and Scooby-Doo to modern icons such as Elsa from Frozen ,the event showcased a delightful array of costumes that reflected the children's unique personalities and interests. This colourful display not only allowed the students to express themselves freely but also fostered a sense of community, as they shared their imaginative creations and celebrated each other's individuality in a joyful, collaborative atmosphere.

TRAFFIC PARK ACTIVITY

The school crated an artificial Traffic park where children had the opportunity to learn about road safety signals in an engaging and hands-on manner on 16th January .Through this creative setup, the students were taught important life skills related to traffic sign and signals. They also participated in an activity where they used bindis to create their own traffic lights, practicing the different signals-red ,yellow, and green and their meanings. This fun and interactive activity helped the children understand the importance of following traffic rules in a memorable and enjoyable way.

CLASS PRESENTATION

To foster public speaking skills, confidence, and creativity, the nursery class presentation held from 27th January to 31st January provided students with a valuable opportunity to showcase their talents and effort. Experiential learning activities such as “Little Chef”, understanding “Traffic Signals”, exploring “Balanced Diet”, practicing “Table Manners”, and discovering “primary and Secondary colours” were integrated into the event. These activities encouraged learning by doing, promoting practical understanding and igniting curiosity beyond the four walls of classroom.

TIPS FOR PARENTS

1. Encourage for play time to promote team work , sharing and communication.
2. Inculcate self help skills and make them self independent.
3. Engage with stories and ask questions.
4. Celebrate achievements : recognise milestones , big or small.

By integrating these strategies into everyday interactions, caregivers can effectively support the holistic growth of nursery-aged children, fostering their social, emotional, cognitive, and physical development.
