

BCM ARYA MODEL SR. SEC. SCHOOL
CLASS- NURSERY

**Kindergarten is the start of a lifelong adventure,
Let's make it magical**

Dear Esteemed Parents,

Our little Nursery stars have taken their first joyful steps into the world of learning. With bright eyes and happy smiles, they are stepping into a colourful world filled with love, laughter, and endless discovery.

In the gentle care of their teachers, they are exploring, creating, and making their very first friendships. Every little moment — a smile, a song, a shared laugh — is a celebration of new beginnings.

Through this edition of our newsletter, we are excited to share these precious memories that mark the start of a beautiful journey.

Highlights

Open House Day

To foster a sense of belonging among parents within the school's nurturing environment, an Open House Day was held for nursery classes on April 1st and 2nd, 2025. The event offered parents and children a delightful opportunity to step into the vibrant classrooms, meet the loving teachers, and explore our thoughtfully designed curriculum. Parents actively participated in engaging activities, collaborating joyfully with their little ones and the teachers. It was a heart-warming experience where families could feel the warmth and care that will surround their tiny tots as they learn, grow, and play. The day beautifully strengthened the bond of trust, discovery, and connection.

Highlights

FIRST DAY ACTIVITY

The First day activity on April 5, 2025, aimed to provide children with a dynamic learning experience, enhancing critical and logical thinking skills. They marked their first day by painting their hand with vibrant colors and stamping them onto an activity sheet. The collaborative nature of the activity encouraged teamwork, fostering social skills. Acting as a mental workout, it promoted heightened concentration, ensuring deep engagement. Ultimately, the goal was to offer a holistic learning opportunity, cultivating cognitive agility and social cohesion among participants.

Health Harmony Activity:

On April 7, 2025, our little ones learned valuable real-life skills for a healthy life through the Health and Hygiene activity. The activity aimed to introduce essential health and hygiene practices, such as proper handwashing, dental care, and healthy eating, in a fun and engaging way. Through songs, stories, and hands-on demonstrations, children discovered how these small habits can make a big difference. This engaging session fostered the early development of good self-care routines and helped build a strong foundation for lifelong well-being in a playful, memorable way.

Highlights

RED COLOUR DAY

Our little learners got immersed in a delightful celebration of Red Colour Day on 9th April, 2025. This educational and entertaining activity allowed them to explore the world of colours through hands-on experiences and visual cues. By focusing on the colour red, Students used cotton dabbing technique to fill red colour in a tomato.. Sorting of blocks was done along with show and tell with toys. A photo corner was decorated in classes where students enjoyed posing and getting their pictures clicked.

Highlights

BAISAKHI CELEBRATION:

To celebrate the harvest festival of Punjab, Baisakhi was celebrated on 11th April, 2025. The day started with greeting the little ones who came dressed up in Punjabi Attire. Children carried variety of props with them like sieve, dry wheat crops, charkha and dhol etc. The Gabrus danced in dhoti and kurta where the mutiyars flaunted in their dupatta suit and saggi phool. A photo corner made the students jump with joy and enjoyed posing. Thumb print activity was done where tiny hands enjoyed clubbing their creativity. The day ended with dhol beats which added more fun to the celebration.

Birthday Celebration:-

On April 17, 2025, all the students born in month of April celebrated their special day by performing Hawan in school's Yagyashala. The children offered Samagri with love and chanted gayatri mantra. The atmosphere was filled with blessings and joy. Afterward, everyone enjoyed prasad, songs, and birthday treats, thus creating beautiful memories for the little ones.

Highlights

EARTH DAY

Green is the colour of nature, trees, and plants. It reminds us to keep our Earth clean and healthy. On 22nd April 2025 the students was all soaked in green, to celebrate Earth Day by wearing green, planting saplings, and learning how to take care of Planet. Each student enjoyed fun activities like crumpling of paper, watching movie on preserving nature, and understanding why its important to protect our environment. Seed Bombs were made using soil. Children enjoyed putting seeds inside the bombs and rolling it . Teachers emphasized on the values of being kind to Nature. Earth Day celebration in kindergarten was a joyful and meaningful event where children learnt about caring for the planet. It helps them develop early habits of environmental responsibility in a fun and engaging way.

Highlights

FRESHERS PARTY:

The Fresher's Party was a heart-warming celebration, filled with laughter, excitement, and new beginnings. On 30th April, 2025 the atmosphere buzzed with energy as the little ones stepped into their new world, their eyes shining with curiosity and wonder. With colourful decorations, playful games, and lively music, the day was a perfect blend of fun and friendship. Teachers greeted the children with warm smiles as they walked dressed gracefully through the path. The event wasn't just a celebration; it marked the beginning of a joyful journey, creating lasting memories and a strong sense of belonging for our tiny learners. The day was truly magical, a beautiful start to a world of learning and discovery.

19/4- Big n small

21/4 - Popsicle Tally

23/4-Balancing Buddy

24/4-Tracing the track

25/4- Sensory box

28/4- Scribbling tray

TIPS FOR PARENTS

1. Encourage Independence: Allow your child to practice simple tasks like wearing shoes, packing their backpack, and choosing their clothes. Building independence fosters confidence and self-reliance.

2. Read Together Every Day: Make reading a part of your daily routine. Reading aloud to your child helps develop their language skills, stimulates imagination, and nurtures a love for learning.

3. Stay Positive About School: Share positive experiences about school with your child. When you express excitement about their education, it encourages a positive attitude towards learning.

5. Communicate with Teachers: Regularly check in with your child's teacher for updates on their progress. Open communication helps address any concerns early and ensures your child's needs are met.

6. Encourage Social Skills: Support your child in developing friendships by encouraging playdates and practicing sharing, taking turns, and saying "please" and "thank you." These social skills are important for kindergarten success.
