CLASS- LKG

NEWSLETTER
April

A dawn anew, with dreams in view, each step we take, a world
born true.

As our little ones take their first steps in learning, their eyes sparkle with curiosity and their hearts are full of wonder. Within the warm embrace of our BCM Arya family, April has been a month of magic and growth. Like tiny dancers, our toddlers twirled through each day, leaving behind laughter, joy, and moments of discovery. Through every scribble and giggle, they shared their little adventures. In this edition of our newsletter, we share these precious glimpses of the unforgettable moments that made April truly special.

Highlights

Rainbow Sheet - My First Day Activity (01.04.2025)

To warmly welcome our little learners, we began the new session with a joyful "Rainbow Sheet" activity. Children colored fluffy clouds and dipped their fingers in vibrant paints to create rainbow trails. This sensory-rich experience sparked creativity, built gross motor skills, and made their first day truly magical!

World Health Day Celebration (07.04.2025)

Focusing on the theme "Good Health Begins with Good Oral Hygiene," children learned proper brushing techniques through an engaging demo and a hands-on "tooth cleaning" poster activity. Fun met learning as children discovered the importance of brushing twice a day—keeping those smiles bright and healthy!

Highlights

Baisakhi Celebration (11.04.2025)

The festive spirit of Baisakhi came alive through joyful dhol beats, vibrant dance, and colorful bubble painting. Children soaked in the essence of this harvest festival, celebrating gratitude, tradition, and culture with enthusiasm and creativity.

Earth Day - "Sow a Seed" Activity (21.04.2025)

On Earth Day, our budding nature lovers planted seeds in labeled pots—flowers, veggies, and herbs alike. This hands-on activity taught them to care, nurture, and respect nature, as they took their first step toward sustainability and environmental love.

Eco-Friendly Puppet Activity (25.04.2025)

Creativity bloomed as little hands turned paper cups into lively puppets using cut-outs, markers, and glue. This eco-friendly craft honed fine motor skills while promoting imaginative expression—proving that fun and learning go hand in hand!

COMPETENCY BASED ACTIVITY

ENGLISH -Peg it up , Ringa Ringa Roses

EVS -Master The Table

MATHS-Musical chair and fun with balls

HINDI- Swar Batoo

TIPS FOR PARENTS

Stick to consistent times for meals, naps, and bedtime to help your child feel secure and know what to expect each day.

- **Let them try things on their own**

Give your child age-appropriate responsibilities like picking out their clothes or tidying up after play. It promotes independence and problem-solving.

- **Nurture friendships Schedule**

Regular playdates or group activities where your child can learn to share, take turns, and communicate with peers.

- **Spark curiosity through play**

Set up safe, engaging spaces where your child can explore with their senses—think water tables, building blocks, or nature walks.

- **Stay calm and encouraging**

Transitions and growth can be overwhelming. Be patient, offer reassurance, and celebrate small victories to help your child feel supported.
