May Day CELEBRATIONS

On May 2nd, 2025, our tiny tots joyfully celebrated Labour Day by expressing heartfelt gratitude to the helpers at the school. The students' faces lit up with happiness as they cut a cake and shared their appreciation for the daily care and support provided by the school. This celebration taught the children the importance of recognizing class IV employees and valuing the contributions of those who help to make their school a wonderful place.

OUR HELPERS

A special roleplay called 'OUR HELPERS' was performed by the nursery teachers highlighting the significance of kindness towards community helpers. The performance unfolded as an engaging story, weaving emotions, gratitude, and respect into a simple yet powerful narrative. Through expressive dialogues and heartfelt interactions, the teachers portrayed everyday scenarios where helpers—such as sanitation workers, security guards, and gardeners—were acknowledged and appreciated for their contributions.

The celebration continued with a cheerful cake-cutting ritual and prasad distribution, leaving behind a sense of joy and spiritual connection.

CRAFTING FOR MOM

Mother's Day was made extra special on 12th May with a heartfelt card-making activity. Tiny hands turned into little artists, creating colourful impressions and heartfelt notes using handprints and heart motifs. The initiative aimed at nurturing creative expression and helping children convey gratitude in the most touching way.
