ZIP-ZAP ACTIVITY:

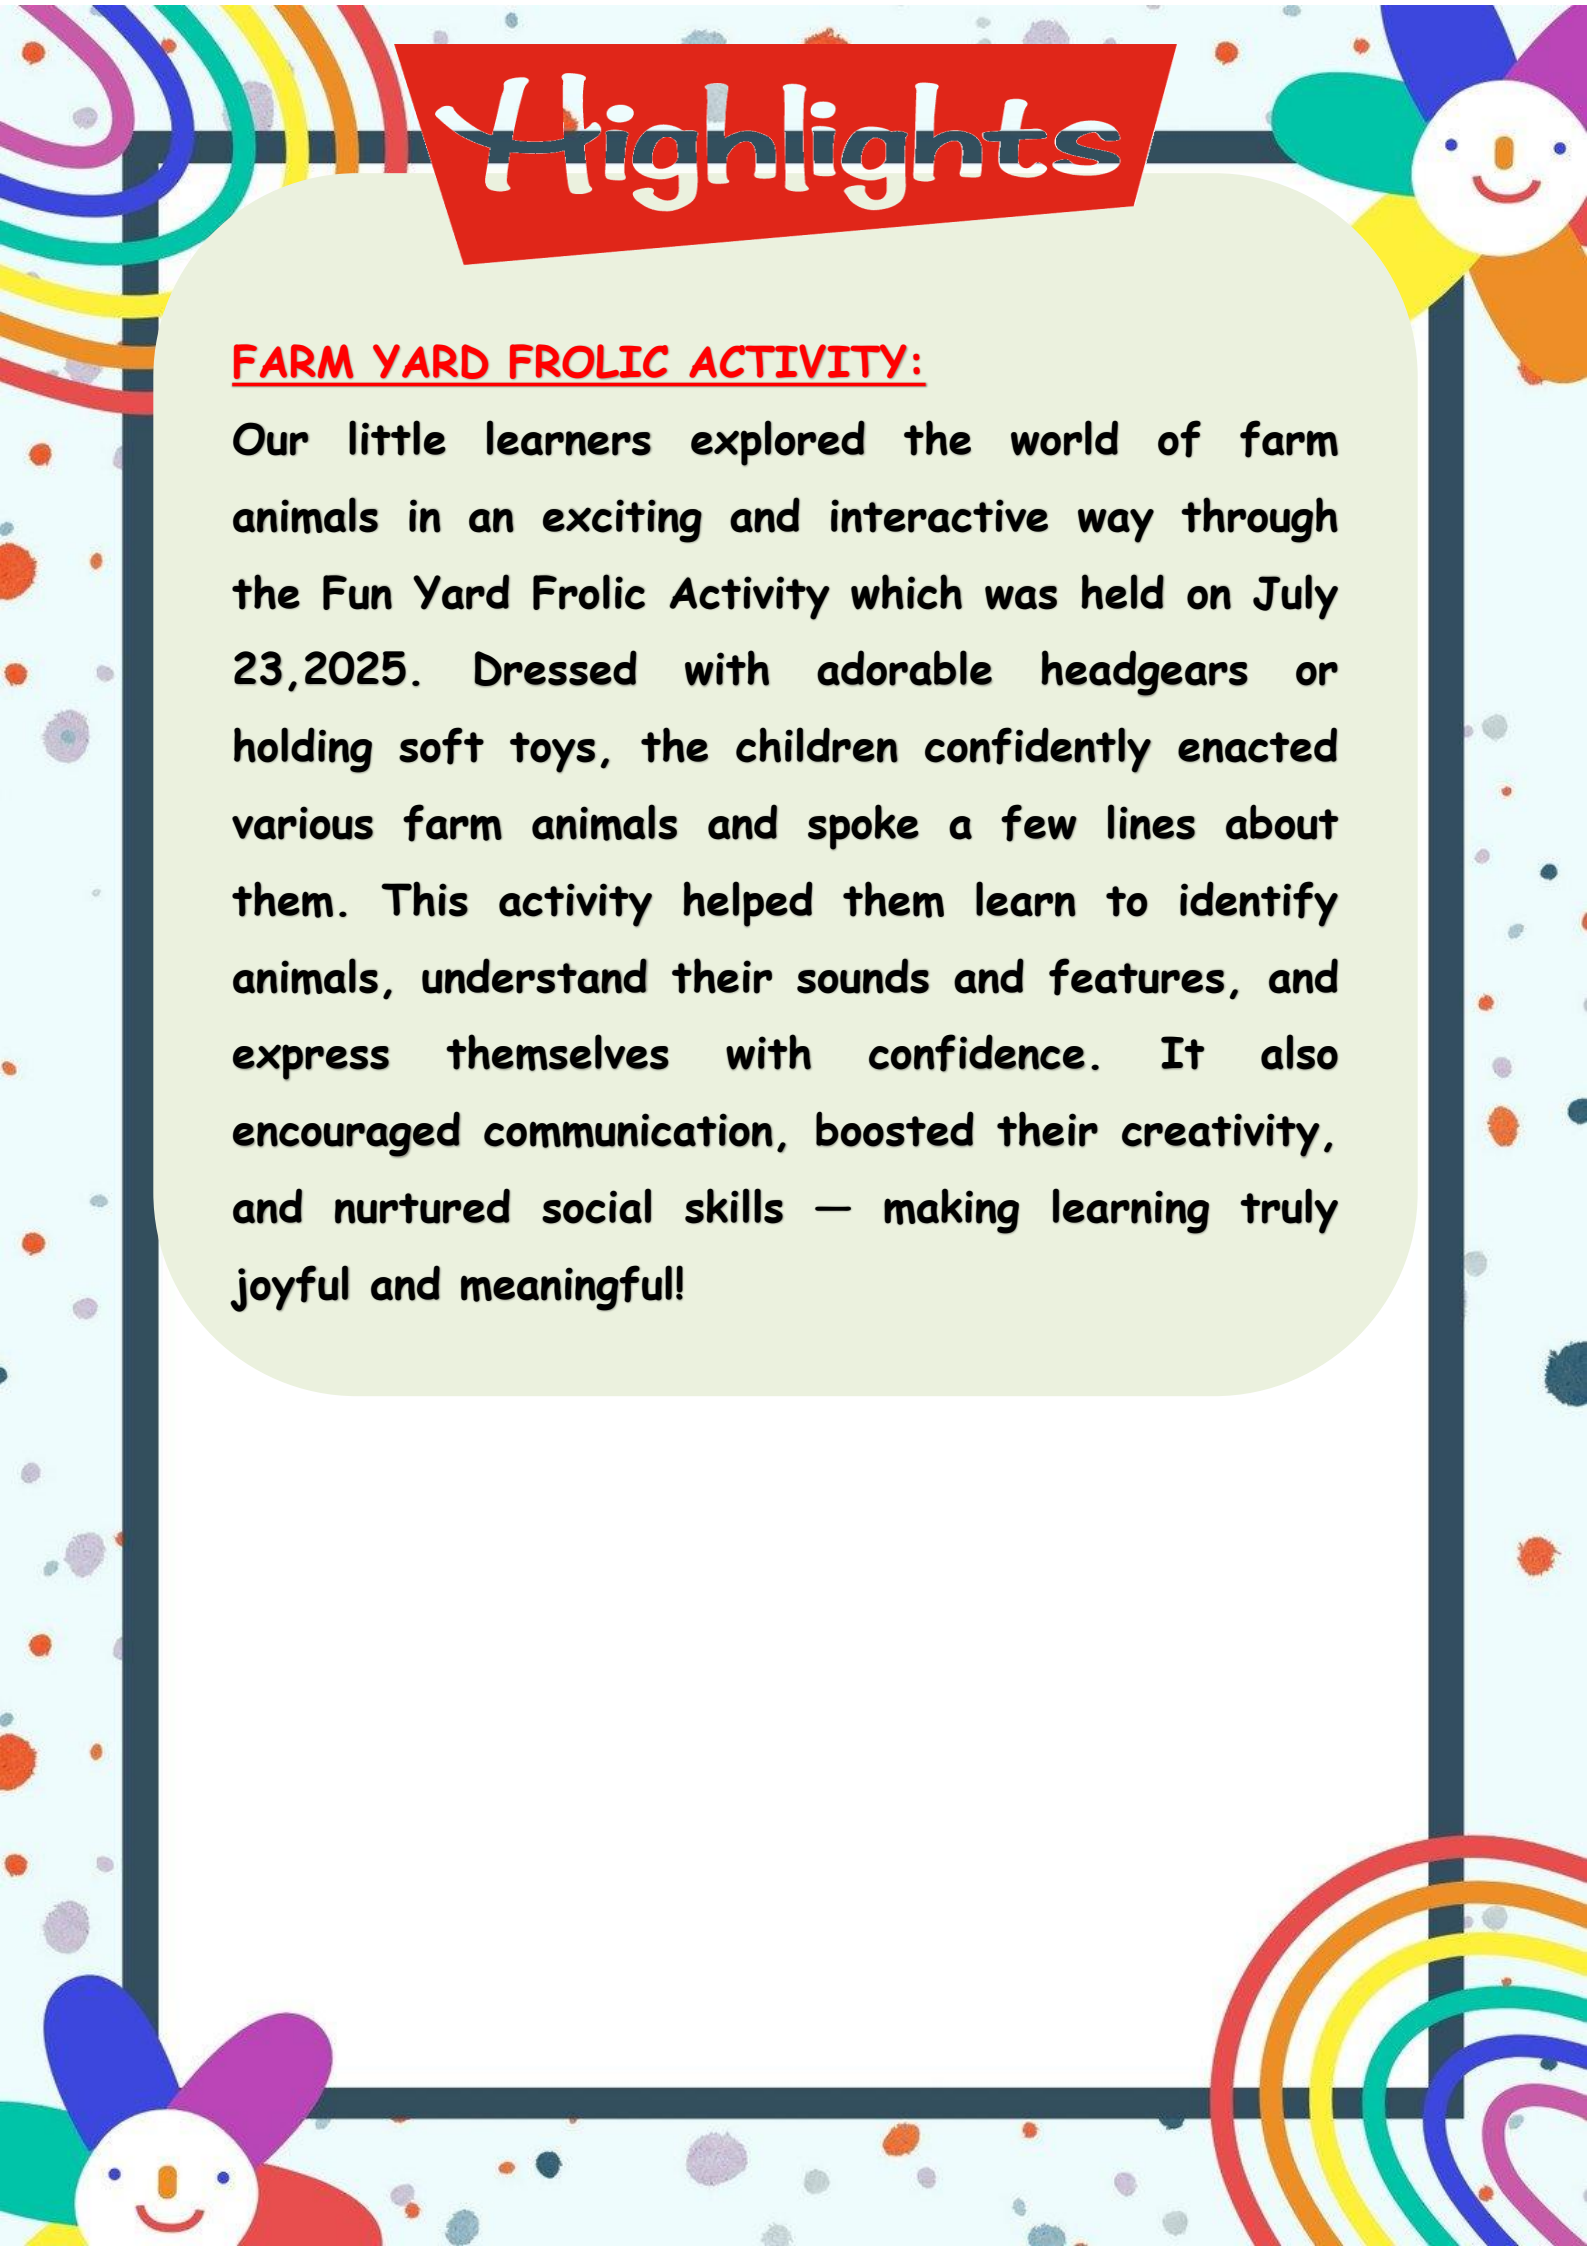

Our little stars had a ziptastic time on July 9, 2025 during the Zip Zap Activity Day, where zippers took center stage in a playful, skill-building session. Children were excited to carry along zipper-clad outfits, to explore the joy of zipping and unzipping all by themselves. From jackets to backpacks, the children practiced operating zippers under the caring guidance of their teachers. With each successful zip, their confidence soared, and their tiny hands grew stronger and more coordinated. Songs and chants like "Zip it up, Zip it down!" added rhythm and excitement to the activity. The event was a wonderful opportunity to nurture self-reliance, focus, and motor skills in an enjoyable setting. It was a proud moment for both children and teachers to see these young learners take a small step toward independence — one confident zip at a time.

FARM YARD FROLIC ACTIVITY:

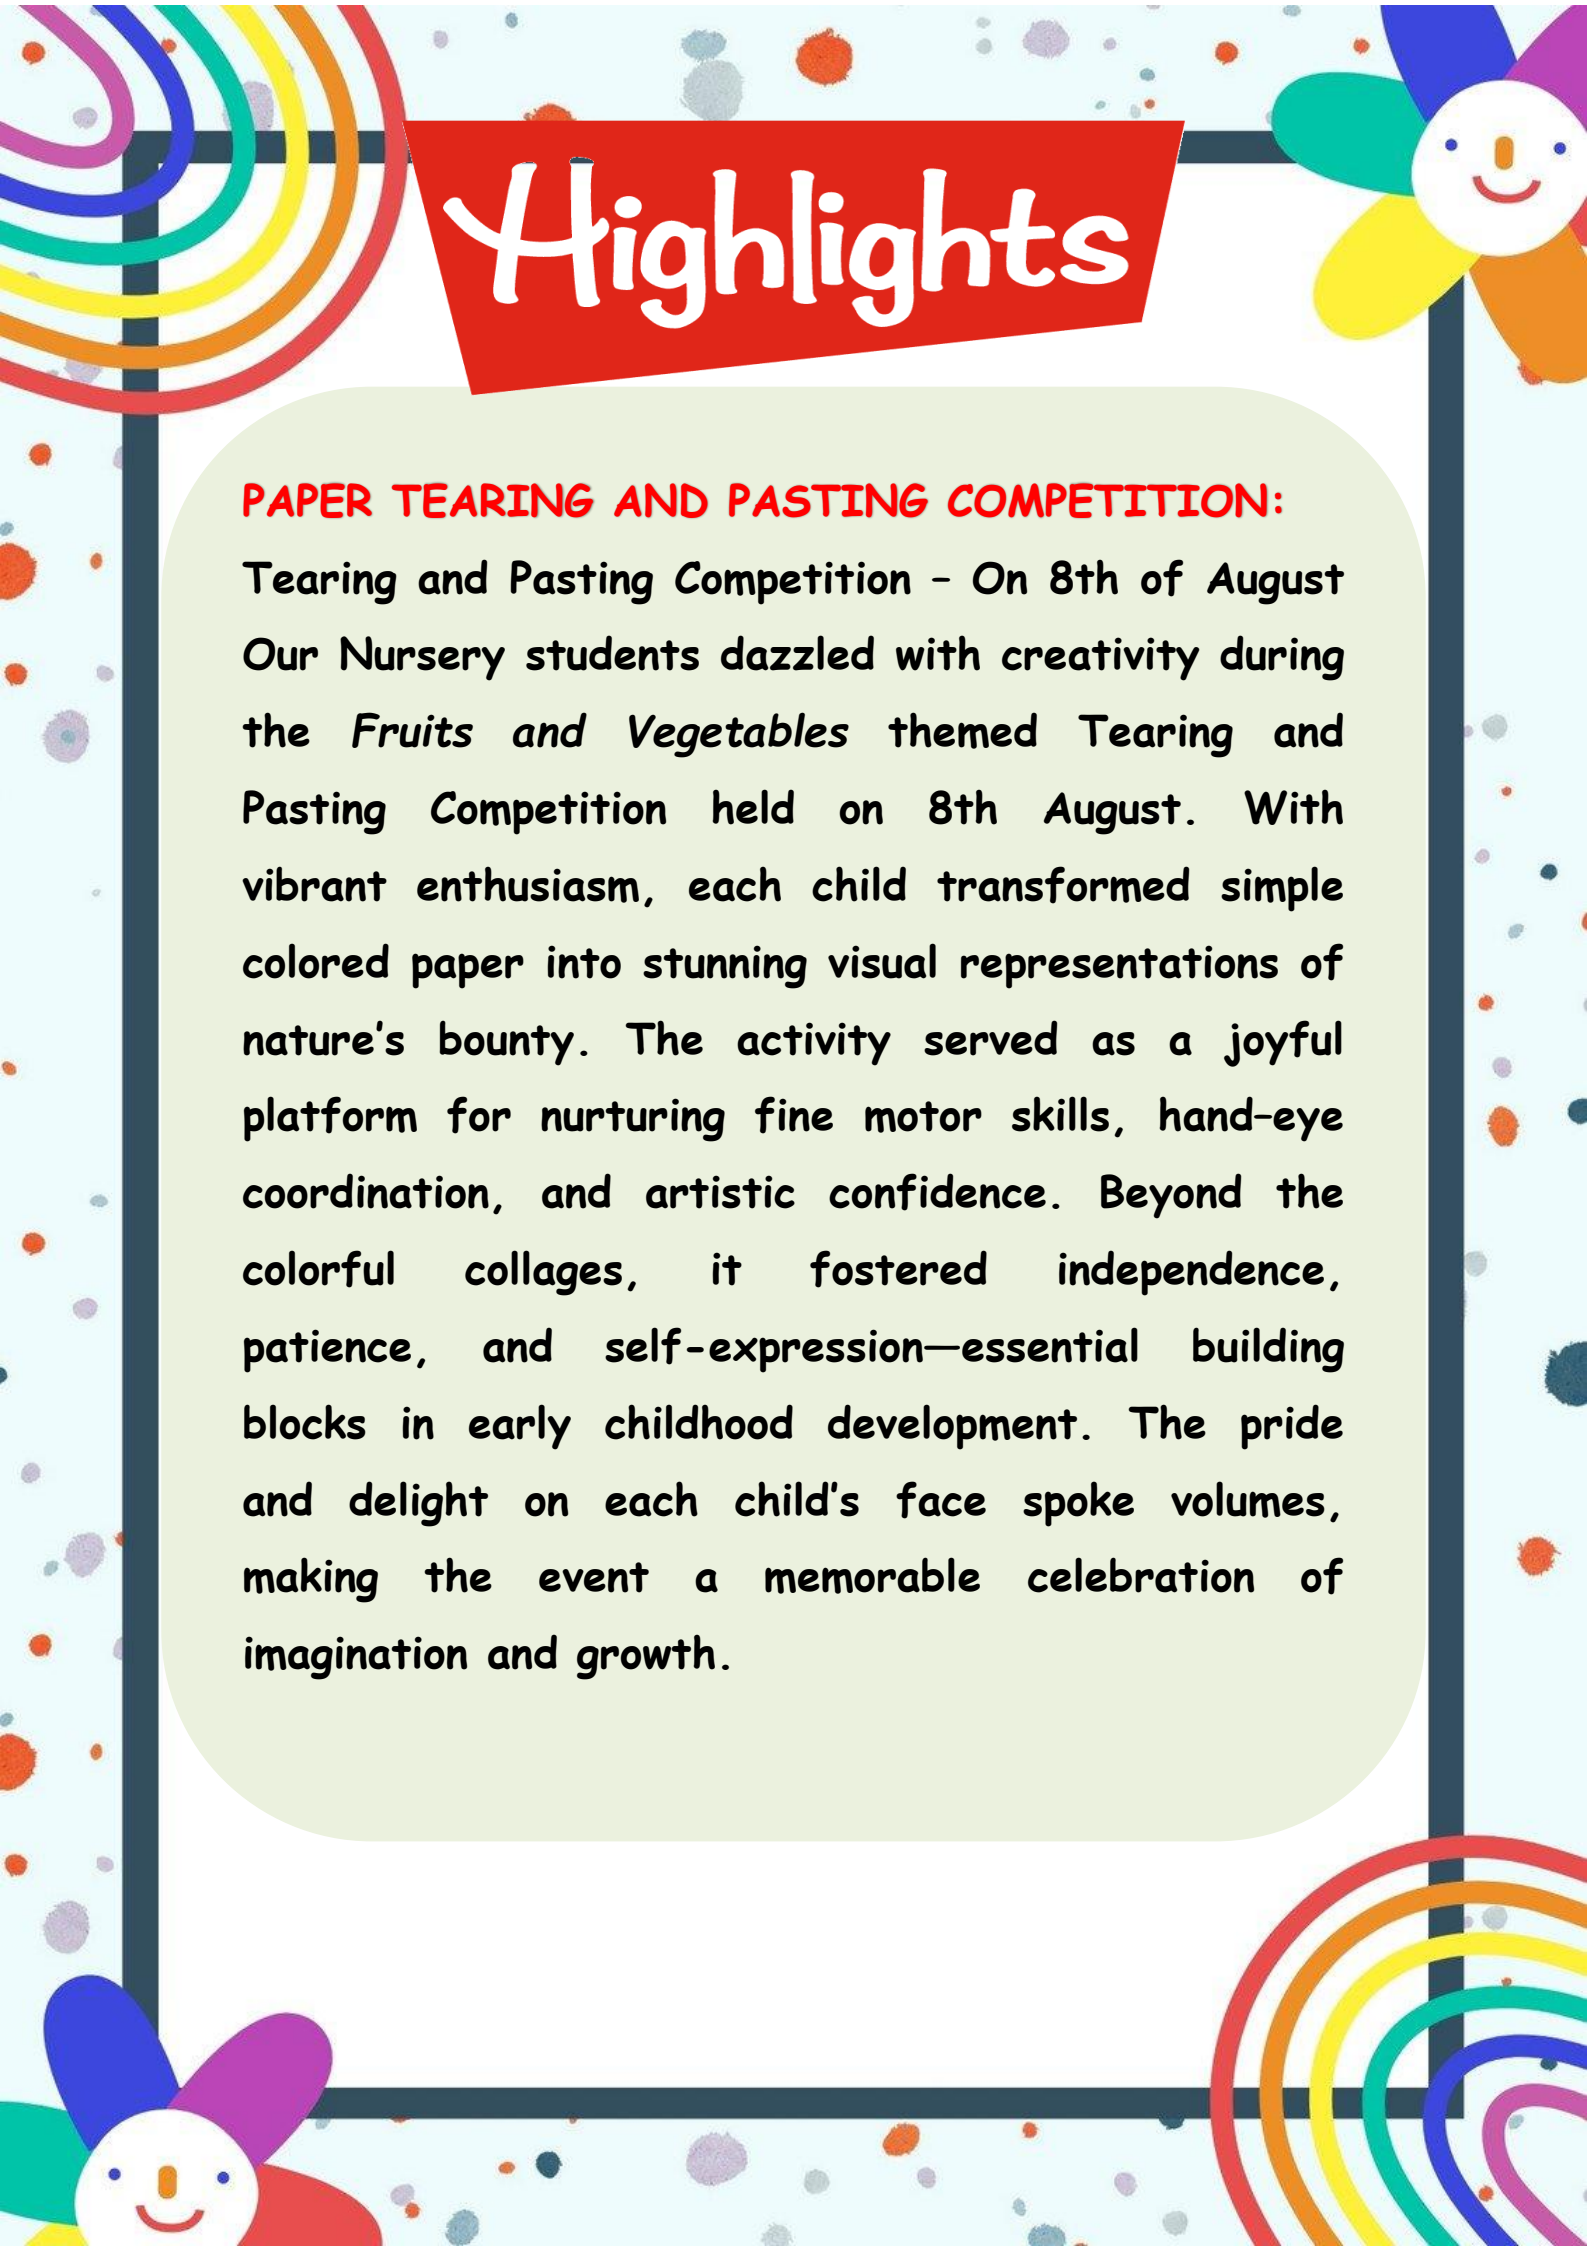

Our little learners explored the world of farm animals in an exciting and interactive way through the Fun Yard Frolic Activity which was held on July 23, 2025. Dressed with adorable headgears or holding soft toys, the children confidently enacted various farm animals and spoke a few lines about them. This activity helped them learn to identify animals, understand their sounds and features, and express themselves with confidence. It also encouraged communication, boosted their creativity, and nurtured social skills — making learning truly joyful and meaningful!

The rhythmic beats of cheerful music added to the lively ambience, encouraging every one to jump and twist. The event was a delightful way to beat the summer heat and the laughter echoed high through the campus, and the giggles were as contagious as the raindrops itself.

PAPER TEARING AND PASTING COMPETITION:

Tearing and Pasting Competition - On 8th of August Our Nursery students dazzled with creativity during the *Fruits and Vegetables* themed Tearing and Pasting Competition held on 8th August. With vibrant enthusiasm, each child transformed simple colored paper into stunning visual representations of nature's bounty. The activity served as a joyful platform for nurturing fine motor skills, hand-eye coordination, and artistic confidence. Beyond the colorful collages, it fostered independence, patience, and self-expression—essential building blocks in early childhood development. The pride and delight on each child's face spoke volumes, making the event a memorable celebration of imagination and growth.

PATRIOTIC VIBES:

To celebrate the spirit of patriotism among our little learners, a special activity titled "Patriotic Vibes" was organized for the Nursery students. The children participated enthusiastically in a bud painting activity on the Indian Flag worksheet. Using ear buds dipped in the tricolour hues of saffron, white, green, and blue, the tiny tots created beautiful impressions on the flag outline. The activity not only enhanced their fine motor skills and creativity, but also instilled in them a sense of love and respect for the nation in a joyful and artistic manner.

TIPS FOR PARENTS

1. Create a Daily Routine:

Children feel safe and confident when they follow a routine. Set fixed times for waking up, meals, play, and sleep.

2. Encourage Independence:

Let them try to wear their shoes, tidy up toys, or wash hands on their own. These small tasks build confidence.

3. Reduce Screen Time:

Limit mobile or TV time. Encourage activities like drawing, puzzles, or pretend play instead.

4. Praise Their Efforts, Not Just Results:

Appreciate your child's attempts with kind words. "You tried really hard!" is better than "You're the best!"

5. Be Patient and Loving:

Your love and patience are the biggest support. Every child learns at their own pace. Celebrate their unique journey.
