TIPS FOR PARENTS

Create a daily Rhythm

Stick to consistent times for meals, naps, and bedtime to help your child feel secure and know what to expect each day.

Let them try things on their own

Give your child age-appropriate responsibilities like picking out their clothes or tidying up after play. It promotes independence and problem-solving.

Nurture friendships Schedule

Regular playdates or group activities where your child can learn to share, take turns, and communicate with peers.

Spark curiosity through play

Set up safe, engaging spaces where your child can explore with their senses—think water tables, building blocks, or nature walks.

Stay calm and encouraging

Transitions and growth can be overwhelming. Be patient, offer reassurance, and celebrate small victories to help your child feel supported.
