ZOO A DAY

The "ZOO A DAY" was organised for UKG students on 15th October 2025 at B.C.M. Arya Model Sr. Sec. School, Shastri Nagar. BCM organized a Zoo Day activity to help students learn about the importance of animals. Teachers created a beautiful handmade zoo inside the hall with models of wild animals. Students visited different sections like the Aquatic World and Jungle Area. They observed how animals live, eat, and survive in their habitats. The Aquatic World was very exciting with fish, turtle and alligator. Teachers explained the need to protect animals and nature. Students enjoyed learning through fun and creativity.

YUMMY TUMMY DAY

On 12th September 2025, the UKG wing of our school came alive with laughter, joy, and the delightful aroma of nutritious treats during a vibrant YUMMY TUMMY organized to promote healthy eating and the spirit of sharing. Each child brought a carefully prepared healthy snack from home—ranging from colorful fruit bowls, vegetable sandwiches, sprout chaat, homemade energy bites, and millet-based delights. The classroom was transformed into a mini picnic zone, where children sat together, exchanged their snacks, and learned the joy of giving and receiving. Teachers guided the little ones in understanding the importance of balanced meals, hygiene, and gratitude for the food they enjoy.

Tell a Tale Competition

The “Tell a Tale Competition” was organised for UKG students on 4th October 2025 at B.C.M. Arya Model Sr. Sec. School, Shastri Nagar. The young storytellers enthusiastically narrated beautiful stories based on the themes of Integrity, Resilience, Self-Discipline, and Gratitude. Each child spoke confidently using attractive flashcards and hand puppets to make their stories more lively. The competition helped students improve their diction, creativity, and public speaking skills. It was a joyful experience that encouraged moral values and self-expression among the little ones.

The Memory Game

conducted in the UKG Classroom was fun-filled activity. The main objective of this activity was to strengthen students' memory, concentration, and visualization skills through a fun and engaging hands-on task using popsicle sticks. Students were first shown a short video displaying different patterns and designs made using popsicle sticks. The video played for a short duration, allowing them to observe the designs. After watching, the students were then asked to visualize the pattern in their minds to recreate the same image using popsicle sticks provided to them. Students could recall and recreate visual patterns accurately.

Anti-Cracker Rally

An inspiring Anti-Cracker Rally was organized on 17th October by the students of the UKG section. The rally aimed to spread awareness about the harmful effects of bursting crackers and to promote an eco-friendly and peaceful celebration of festivals. The little learners enthusiastically participated, holding colorful placards with messages such as "Say No to Crackers," "Celebrate with Lights, Not Noise," and "Save Environment, Save Life." The children were guided by their teachers and moved in a short march around the school premises and nearby areas. Mere School main Diwali was celebrated in the school premises keeping in view to spread the awareness about celebrating anti cracker Diwali.

TIPS FOR PARENTS

Create a daily Rhythm

Stick to consistent times for meals, naps, and bedtime to help your child feel secure and know what to expect each day.

Let them try things on their own

Give your child age-appropriate responsibilities like picking out their clothes or tidying up after play. It promotes independence and problem-solving.

Nurture friendships Schedule

Regular playdates or group activities where your child can learn to share, take turns, and communicate with peers.

Stay calm and encouraging

Transitions and growth can be overwhelming. Be patient, offer reassurance, and celebrate small victories to help your child feel supported.
